IFAA MISSION

The Iowa Foundation for Agricultural Advancement (IFAA) is a non-profit organization comprised of agricultural enthusiasts dedicated to providing scholarships, financial awards and incentives for college-bound Iowa (4-H and FFA) youth seeking a post-secondary education in the area of agriculture.

A key means of providing this support has been through partnerships with FFA and Iowa 4-H. Each year, thousands of Iowa students participate in 4-H and FFA beef, swine, poultry and other agricultural projects. IFAA's role is to provide scholarships and other financial awards to college-bound Iowa youth with ag interests.

IFAA's primary programs are the *Sale of Champions*, which is done in conjunction with the annual Iowa State Fair, and the *Winner's Circle Scholarship and Awards* program. The *Sale of Champions* program gives sixteen FFA and 4-H exhibitors the privilege to sell their champion livestock and poultry projects. The *Winner's Circle Scholarship* program was established in 1990 to provide incentives for college-bound Iowa youth seeking post-secondary education in an area of agriculture.

CARCASS REQUIREMENTS

Upon completion of the *Sale of Champions*, animals will be transported to Iowa State University in Ames, Iowa for carcass evaluation and drug testing in accordance with the Iowa State Fair rules. Processing will be done at no expense to the purchaser. The champion carcasses may be viewed on Saturday, August 24, 2019. You must arrive no later than 3:00 p.m. and meet in the Farm Bureau Pavilion Classroom in Kildee Hall. The group will walk together to the Meat Lab. **No Exceptions!** You must have clean, close-toed shoes and clean clothes. Everyone will be required to wear frocks, hairnets and walk through a foot disinfectant in order to participate. For more information contact Amy Powell at ampowell@iastate.edu or 515-294-3441.

CHAMPIONSHIP REWARDS

Sale of Champions exhibitors will receive a check from IFAA after satisfactory results have been reported by the ISU Meat Laboratory. The exhibitor keeps 75% of the proceeds and the remaining 25% is available for scholarships and IFAA administrative expenses. Checks are mailed to exhibitors as soon as all sale funds are collected and drug testing completed. All Local Support funds are due by August 31st. Any uncollected funds will be deducted from the sale check.

ATTENTION BUYERS

Purchasers hereby are expressly given notice that any animal purchased at the 4-H / FFA *Sale of Champions* will be subject to the following condition of said sale:

A purchaser, any other person, or any other entity shall be prohibited from taking any genetic material from any animal purchased at the 4-H / FFA Sale of Champions.

IFAA requests settlement for livestock purchases immediately following the *Sale of Champions*. At the completion of the sale, please report to the IFAA Treasurer at the sale block for paperwork.
