IFAA MISSION

The Iowa Foundation for Agricultural Advancement (IFAA) is a non-profit organization comprised of agricultural enthusiasts dedicated to providing scholarships, financial awards and incentives for college-bound Iowa (4-H and FFA) youth seeking a post-secondary education in the area of agriculture.

A key means of providing this support has been through partnerships with FFA and Iowa 4-H. Each year, thousands of Iowa students participate in 4-H and FFA beef, swine, poultry and other agricultural projects. IFAA's role is to provide scholarships and other financial awards to college-bound Iowa youth with ag interests.

IFAA's primary programs are the Sale of Champions, which is done in conjunction with the annual Iowa State Fair, and the Winner's Circle Scholarship and Awards program. The Sale of Champions program gives sixteen FFA and 4-H exhibitors the privilege to sell their champion livestock and poultry projects. The Winner's Circle Scholarship program was established in 1990 to provide incentives for college-bound Iowa youth seeking post-secondary education in an area of agriculture.

CARCASS REQUIREMENTS

Upon completion of the Sale of Champions, animals will be transported to Iowa State University in Ames, Iowa for carcass evaluation and drug testing in accordance with the Iowa State Fair rules.

CHAMPIONSHIP REWARDS

Winner's Circle Awards exhibitors will receive a check from IFAA after satisfactory results have been reported by the ISU Meat Laboratory. The exhibitor keeps 75% of the proceeds and the remaining 25% is available for scholarships and IFAA administrative expenses. Checks are mailed to exhibitors as soon as all sale funds are collected and drug testing completed. All Local Support funds are due by August 28th. Any uncollected funds will be deducted from the sale check.
